

PRESS RELEASE

Govt honours Surya Gujarat scheme beneficiaries

On the eve of successful completion of three years of visionary administration, Govt. Of Gujarat organised a gala event – ‘Sankalp Se Siddhi Ki Or Agresar’ at Mahatma Mandir, Gandhinagar on 08-Aug-2019.

In the beginning, one minute silence was observed to pay homage to Smt. Sushma Swaraj, who passed away a day ago.

Hon. Chief Minister Shri Vijay Rupani and Hon. Deputy Chief Minister Shri Nitin Patel, along with Hon. Ministers, lighted the lamp.

Senior political leaders, officers of various departments of administration, eminent personalities and beneficiaries of govt. schemes remained present during the occasion.

The event was organised to acknowledge the performance of the state govt. during the past three years and to honour the beneficiaries of different government schemes, such as Surya Gujarat, SHODH (Scheme of Developing High Quality Research), Affordable Housing Scheme, Agriculture Equipment Scheme and NaMo eTablets.

Beneficiaries of Surya Gujarat were honoured with cheques of subsidies provided under this innovative scheme, which provides subsidy to electricity consumers for setting up and installing solar roof top equipments in their residential premises.

The scheme intends to reduce the consumption of conventional sources of energy, viz. thermal power, and further encourages the use of renewable energy, along with saving on electricity costs for consumers.
